THIS IS

A SCRAPBOOK OF MEMORIES

...A CAVALCADE OF 1951

In Words and Pictures

WE, THE MEMBERS of the Staff, feel that it is a sincere and genuine pleasure to dedicate the 1951 TOWERS to the Head of the Business Administration Department, J. Lewie Harman, Jr. Through his deep consideration and mutual cooperation, Mr. Harman has built and maintained a forceful popularity and friendship with the many thousands of students who have passed through the portals of B. U. As always, he is upholding and promoting useful knowledge and sound thinking and is creating a better understanding of fellowship. Mr. Harman is a graduate of College High School, Bowling Green, Kentucky, received his A.B. Degree from Western Kentucky State Teachers College in 1941 and received his B.S. Degree from the Bowling Green College of Commerce. He has also completed special courses at Harvard Business School, Cambridge, Massachusetts. Our heartfelt appreciation and best wishes are extended to Mr. Harman in all his future endeavors.

THE PERSONALITY

JAMES H. LE GRANDE
Most Popular Teacher

First in the selection of beauty and personality is Jo Ingram, who was chosen "Miss Towers of 1951" by the votes of the Student Body. Miss Towers was presented at a special chapel program by Jim Le Grande, the 1951 Towers Sponsor. Other B. U. Personalities elected by popular vote, were presented at the program.

The highlight of B. U.'s annual Christmas Party was the presentation of Miss Business University—Ada Sue Hopkins—by our school President, Mr. J. Murray Hill. Ada Sue was selected from a number of School beauties by a group of impartial judges, basing their judgment upon the beauty and poise of the contestants.

PRINCIPLES AND AIMS

The Alpha Chapter of the Beta Pi Honorary Accounting Fraternity embodies the principles of scholarship, practicability, sociability as an aid to the students of accounting. Its aims are to encourage and foster the ideal of service as the basis of the accounting profession; to promote the study of accountancy and its highest ethical standards; to act as a medium between professional men, instructors, students, and others who are interested in the study of accountancy; to develop high moral, scholastic, and professional attainments in its members; and to encourage cordial intercourse among its members and the profession in general.

B. S. U.

College promises many thrills, one of which is that of being a Baptist student. You become a member of the B.S.U. when you join a Baptist church in the college center, a Sunday school class, a Young People's Union, a Y.W.A. circle, and/or any other organization of a Baptist church near the school. . . . It is a youth organization which serves this community as a link between the school and the church. It co-ordinates all the voluntary religious activities of the Baptist students here and throughout the Southern Baptist Convention. It functions through a B.S.U. Council consisting of a dozen or more officers elected annually. . . . To every Baptist collegian we recommend that

It's collegiate to be Christian!

E. SHIRRELL, *Secretary*

Our sincere congratulations and best wishes to you young men and women upon your efforts to better prepare yourselves for your future

BOWLING GREEN, KY.

A SUGGESTION TO YOU

Education from books alone is like the canary just from its cage. Although the bird has wings, it can only flutter. Leisure moments spent with the right people develop character and confidence, the secrets to the proper use of book knowledge.

We at the UNIVERSITY INN and SWEET SHOPPE furnish the place and the right environment to develop these aspects.

Meet your friends at these two places, where you are always welcome—and remember we are looking forward to many return visits by you after you have completed the happiest era in your life—school days.

Sincerely yours,

GEORGE WILCOXSON

ON NASHVILLE ROAD

THE BEST IN FINE FOODS, ENTERTAINMENT EVERY NIGHT

*The 1951 Towers Staff wishes to sincerely thank the Bowling Green-
Warren County Chamber of Commerce for its whole-hearted
support and cooperation in our advertising campaign,
without which this annual would not have been
possible. Let us, the students at the Busi-
ness University, support these
merchants as graciously as
they have sup-
ported us.*
